HARMSTON & SONS
COWBOY SPORTS

TO-MORROW evening a concert will be given in the City Hall by Miss Olga Duboin, the celebrated pianist of Moscow, assisted by the following amateurs:—

Mrs Coxon (soprano), Mr D. Macdonald (baritone), Miss Souza (piano), and Miss Pollard (violin). The programme includes some choice compositions. Miss Duboin will play selections from the works of Chopin, Mendelssohn, Beethoven, and other eminent composers, and as the concert here with a high reputation there ought to be a large audience to listen to her playing. The concert will be under the patronage of His Excellency the Governor and His Excellency Major-General Barker. Yesterday, Miss Duboin played two pieces at a dinner party at Headquarters House, one a composition of Chopin, the other a fantasia of Russian popular airs. The latter was evidently played by way of compliment to the Russian Admiral who was present.

A SOMEWHAT popular earthquake shock was experienced in Yokohama about 10.25 a.m. on Saturday, with a sharp upward jolt, the shock consisting chiefly of tremors and fork motions, which, though the disaster seemed to go far neutralizing each other, that lamps suspended from ceilings only quivered and did not swing.

The newest idea for a social club is to combine the usual social amenities and advantages with an establishment for promoting physical education. In other words, those who will be attached to the club will be required to attend a fencing school, and a swimming bath, a tennis school, and a gymnasium. The chairman of the board of directors is that enthusiast for physical training, Mr. Herbert Gladstone, and Mr. W. H. Granfall, one of the most famous of modern athletes, is also strongly interested. The promoters have first-rate premises in Pico, easily in view, and the venture is rapidly approaching completion.

THE SINGAPORE Free Press of the 2nd last says:—H. E. the Governor has received a telegram from Mr. Rodger via Tras to the effect that he and the Sultan had arrived at Bentong, and had joined forces with Major MacClellan's party. The Sultan and Mr. Rodger with their Malay levies were going in the direction of the Sungai Kluar, in pursuit of the Orang Kaya, who is reported to have fled in that direction. All roads are now open, and communication is fully re-established. It will be possible for the Raub Syndicate to resume running, almost entirely from Labuk, Tras, and Bilar, as at first it had been commanded by the Sultan's men. The Glinting Bedouin to Bentong is clear, Banting to Tras, and the whole waterway of the Semantan is now controlled by the Government forces.

THE trooping *Hindostanis* sailed in Singapore on the morning of the 2nd inst., with draft for the North Hampshire Regiment, also for the Shropshire Regiment, and for the 2nd Dragoon Guards. The *Straits Times* says the has 6 officers, 204 men, 4 women, and 16 children for Hongkong. It was a pretty sight this morning, about 7.45 a.m., says the *Singapore Free Press* of the 2nd inst., to see H. M. S. *Hindostanis*, with drafts for Singapore and Hongkong, pass through New Harbour and exchange salutes with H. M. S. *Orion*. They were lying at the Borneo Wharf. When the two vessels were abreast, the crews of both crowded with men, raising cheers, exchanged a salute, and the *Hindostanis* exchanged the salute of the *Orion*. The last salute was rendered by the *Orion*. The *Orion* was rendered by the S. V. A. and New Harbour with an early party for town, and the *Hindostanis* was to pass by the *Orion*. It was easy to make out and great old friends in the persons of Lieuts. E. O. Smith and Branwell. The *Orion* leaves this afternoon.

Reverting to the collision between the Japanese steamer *Takao Maru* and the British steamer *Thistler*, which occurred near Yokohama on the 30th ult., the *Japan Times* says:—It is to be hoped that a returning to the port of Yokohama after being in collision with a sailing ship outside, the master of the *Takao Maru* took a course for which he is able to furnish good grounds. We have no desire to publish his case, but the public interest demands that attention should be drawn to the conduct of any shipmaster who in like circumstances should act similarly. The captain of the *Takao Maru* has declined to furnish information with reference to the event. That of course, his burden. But we cannot blame us if we publish the story of the other side, and, as we have always subject to our contradiction,—briefly the *Thistler* attempted to cross the bows of a sailing ship close-hauled; failing to do so, he struck her, and having his own upper works much damaged by the bows of the other, put about and returned to port without troubling himself to enquire as to the result of the occurrence. Suppose that the *Thistler* had been as seriously damaged about the bows as to cause her sinking, or that another gale such as she had been beating against for the best part of a fortnight had sprung up immediately after the collision, what sort of position we should like to ask, would the captain of the *Takao Maru* have found himself in?

HONGKONG ICE COMPANY, LIMITED.

The eighth ordinary annual meeting of this Company was held in the Office, Fiddler's Street, at noon to-day. The Hon. J. J. Keween, Chairman, presided, and among those present were Messrs E. J. Coxon, W. H. Wallace, E. W. Rutter, J. H. Cox, C. W. Taylor, C. W. Dickson, J. Bell-Irving, H. C. Mclennan (Secretary), and Mr. Pock.

The Chairman said:—Gentlemen, in presenting the report and accounts for the year 1891, I have not much to add, but the whole of which I hope you will regard as satisfactory, for, in a period of abnormal commercial depression, it is encouraging to be in a position to pay a final dividend of 15 per cent., which makes the return 25 per cent. for the year. There is nothing further that I can say, fully add, as there are no shareholders with whom to put any questions. I will propose the adoption of the report and accounts.

Mr. E. W. Rutter:—I have much pleasure in seconding.

No questions were asked and the report and accounts were unanimously adopted.

On the motion of Mr. E. J. Coxon, he moved that Mr. W. H. Wallace, Mr. Thomas Arnold, be elected, and so it was.

This concluded the business of the meeting, the Chairman announcing that the dividend warrants will be issued to-morrow morning.
